

October 31, 2014

Dear Special Education Directors, District Testing Coordinators, Administration, and Teachers,

The OSDE has designated a webpage: <http://ok.gov/sde/overview-non-standard-accommodations> to provide districts with tools and resources related to OSTP accommodations. The webpage includes information related to OSTP accommodations and the PAR administration.

Please review the attached [Nonstandard Accommodation Application Manual](#) for instructions on navigating and successfully uploading requests through the OSDE [Single Sign-on](#) Application.

The [OSTP IEP/504 Accommodations Manual](#) offers procedures and guidance on selecting and administering standard and nonstandard accommodations for the Oklahoma School Testing Program (OSTP). The ELA/Reading Read-Aloud accommodation (NS1) and Unique Accommodation (NS2) application window has changed to the following window: **November 3rd to November 14th**.

Please disregard the window listed in the OSTP IEP/504 Accommodations Manual and the accompanying forms.

The OSTP ELA/Reading Test Read-Aloud Protocol and Form U (Unique Accommodations) may be downloaded from the links embedded in the [OSTP IEP/504 Accommodations Manual](#) (page 19). Additionally, specific requirements and documentation for requesting a non-standard accommodation(s) are detailed on pages 9-11 in the [Manual](#). **Only students with disabilities are eligible for consideration for the OSTP non-standard accommodations.**

Sincerely,
Oklahoma State Department of Education
Special Education Services
