

**TITLE 210. STATE DEPARTMENT OF EDUCATION
CHAPTER 30. SCHOOL FACILITIES AND TRANSPORTATION
SUBCHAPTER 5. TRANSPORTATION**

210:30-5-8. School bus driver certification

(a) General criteria.

- (1) Pursuant to the authority granted to the State Board of Education in 70 O.S. § 3-104(6) to regulate school bus drivers and 47 O.S. § 15-109, no board of education shall have authority to enter into any written contract with a school bus driver who does not hold a valid Oklahoma School Bus Driver's Certificate issued by the State Board of Education authorizing said bus driver to operate a school bus within the State of Oklahoma.
- (2) In order to obtain and maintain a standard Oklahoma School Bus Driver's Certificate, the State Board of Education requires all public school bus drivers to:
 - (A) Successfully complete a school bus driver training course approved by the State Department of Education;
 - (B) Possess and maintain a valid Commercial Driver's License (CDL) issued by the Oklahoma State Department of Public Safety, which includes the following endorsements required by 70 O.S. § 6-110.1 in accordance with the qualifications determined by the Department of Public Safety:
 - (i) A school bus "S" endorsement; and
 - (ii) For drivers of vehicles designed to transport sixteen (16) or more passengers (including the driver), a passenger "P" endorsement; and
 - (C) Comply with all other health and safety qualifications set forth in this Section.
- (3) No school district board of education shall assign or allow to be assigned any school bus driving duty involving the transportation of students to any employee or volunteer, regardless of contract status (e.g. coach, teacher, mechanic), unless that person has all required supporting documentation required for school bus drivers on file with the school district and a valid Oklahoma State Department of Education School Bus Driving Certificate as provided for in this section.
- (4) The State Board of Education recognizes the substantial public interest in safe school bus transportation of children. Therefore, in addition to meeting the vision standards required to obtain a CDL from the Department of Public Safety, in order to obtain a standard or emergency Oklahoma School Bus Driver's Certificate, all school bus drivers must have:
 - (A) A visual acuity of not less than twenty-fourty (20/40) (Snellen) in each eye with or without corrective lenses; and
 - (B) Not less than twenty-fourty (20/40) (Snellen) with both eyes with or without corrective lenses; and
 - (C) A minimum field of vision of 70 degrees horizontal median vision in each eye.
- (5) The use of tobacco by a school bus driver is not permitted during the operation of the bus while hauling pupils. The use of any intoxicating or non-intoxicating alcoholic beverage by the driver eight (8) hours prior to or during the operation of a school bus is strictly prohibited. The use of any controlled dangerous substance seventy-two (72) hours prior to or during the operation of a school bus is strictly prohibited. The possession of any controlled dangerous substance on a school bus is strictly prohibited.
- (6) All school bus drivers shall have an annual health certificate signed by a physician licensed by this state, **or a nurse or physician assistant who is licensed to practice in this state**

and who is working under the supervision of a medical doctor (MD) or doctor of osteopathy (DO) licensed by this state. The certificate shall be filed in the office of the chief administrative officer of the local school district or designee of the chief administrative officer attesting that such physician, or other authorized health care professional working under the supervision of a physician, has examined the applicant and that the applicant has no sign or symptoms of ill health, and is otherwise, from the observation of such physician or other authorized health care professional, physically and mentally capable of safely operating a school bus. As an alternative to the annual physical examination requirements for school bus drivers, school districts may adopt a policy that utilizes a biannual physical examination, provided the examination is in compliance with the physical qualifications and examination requirements at Subpart E of the Federal Motor Carrier Safety Regulations, 49 CFR §§ 391.41 to 391.50.

(7) Substitute and activity school bus drivers shall meet all the requirements prescribed for regular bus drivers.

(8) At a minimum, the chief administrative officer of the local school district or designee of the chief administrative officer shall conduct an annual driving record check of all school bus drivers, including substitute and activity drivers. The Oklahoma State Department of Education shall be immediately notified of any violation(s) that make a school bus driver ineligible to hold an Oklahoma School Bus Driver's Certificate.

(9) The State Board of Education shall revoke the bus driver's certificate of any holder who fails to comply with the provisions of this Section.

(10) School districts who fail to comply with the provisions of this section shall be subject to penalty pursuant to 210:30-5-2.
