Superintendents,

As you may recall from the June 22, 2012 Leadership Post, TLE funds will now be directly distributed to districts. Before your district's funds can be distributed, the State Department of Education is asking that you complete a short survey found at <http://www.surveymonkey.com/s/OklahomaTLESelectionSurveyUPDATE> A PDF preview copy of the survey for your convenience. **Please complete the survey by Friday, July 6, 2012.** For any district that does not complete the survey by Friday, July 6, 2012, the OSDE will assume that information previously submitted to the department for the number of administrators that need to be trained and the selection of the framework has not changed. **Appropriations will be made based on previously submitted data unless the survey is completed.**

In addition, TLE training will be scheduled directly through the framework's training providers. Please use the contact information below to schedule your training.
