Connie,

We will need to have the Oklahoma Alternate Assessment Program (OAAP) Portfolio standard setting results added to the agenda. Standard Setting is taking place this week, so we do not have any documents yet. Pearson will provide those early next week.

A representative from Pearson will be presenting them.

I've copied the language from last year's agenda below. Please let me know what else is needed.

Discussion and possible action on standard setting results for the Oklahoma Alternate Assessment Program (OAAP) portfolio Grades 3 through 8 and end-of-instruction - 70 O. S. S 1210.508 and OAC 210:10-13-1-2-3
