Dear Mr. Bratton:

Thank you in advance for the guidance you have provided us in becoming an Approved Vendor for the Oklahoma Cost Accounting System.

Per your request, below is our compliance statement and list of current school district installations in Oklahoma.

**Compliance statement**

We believe the Windsor Management Group's InfiniteVisions software suite materially provides the functionality described in the Oklahoma Cost Accounting System Minimum Criteria for Software document for the modules contained within the suite.

**Current school district installations in Oklahoma**

The InfiniteVisions software is installed in over 800 K-12 school districts in 32 states including 2 districts in Oklahoma.

Jenks Public Schools (LIVE as of 7/1/2011)  
Durant ISD (Going LIVE 1/1/2012).

Respectfully,

**Dave Eidson**
