STATE SUPERINTENDENT OF PUBLIC INSTRUCTION
STATE OF OKLAHOMA

MEMORANDUM

TO: The Honorable Members of the State Board of Education
FROM: Janet Barresi *JCB*
DATE: October 23, 2014
SUBJECT: Statutory Waiver for Library Media Specialist Exemption

The following schools are requesting exemption from library media certification requirements pursuant to 70 O.S. § 3-126 for the 2014-2015 school year. A certified teacher will be used as the librarian while pursuing library media certification. Approval is recommended.

District	County	Waiver (Years)	Students Served

Section 42.8. Requirements for Exemption.

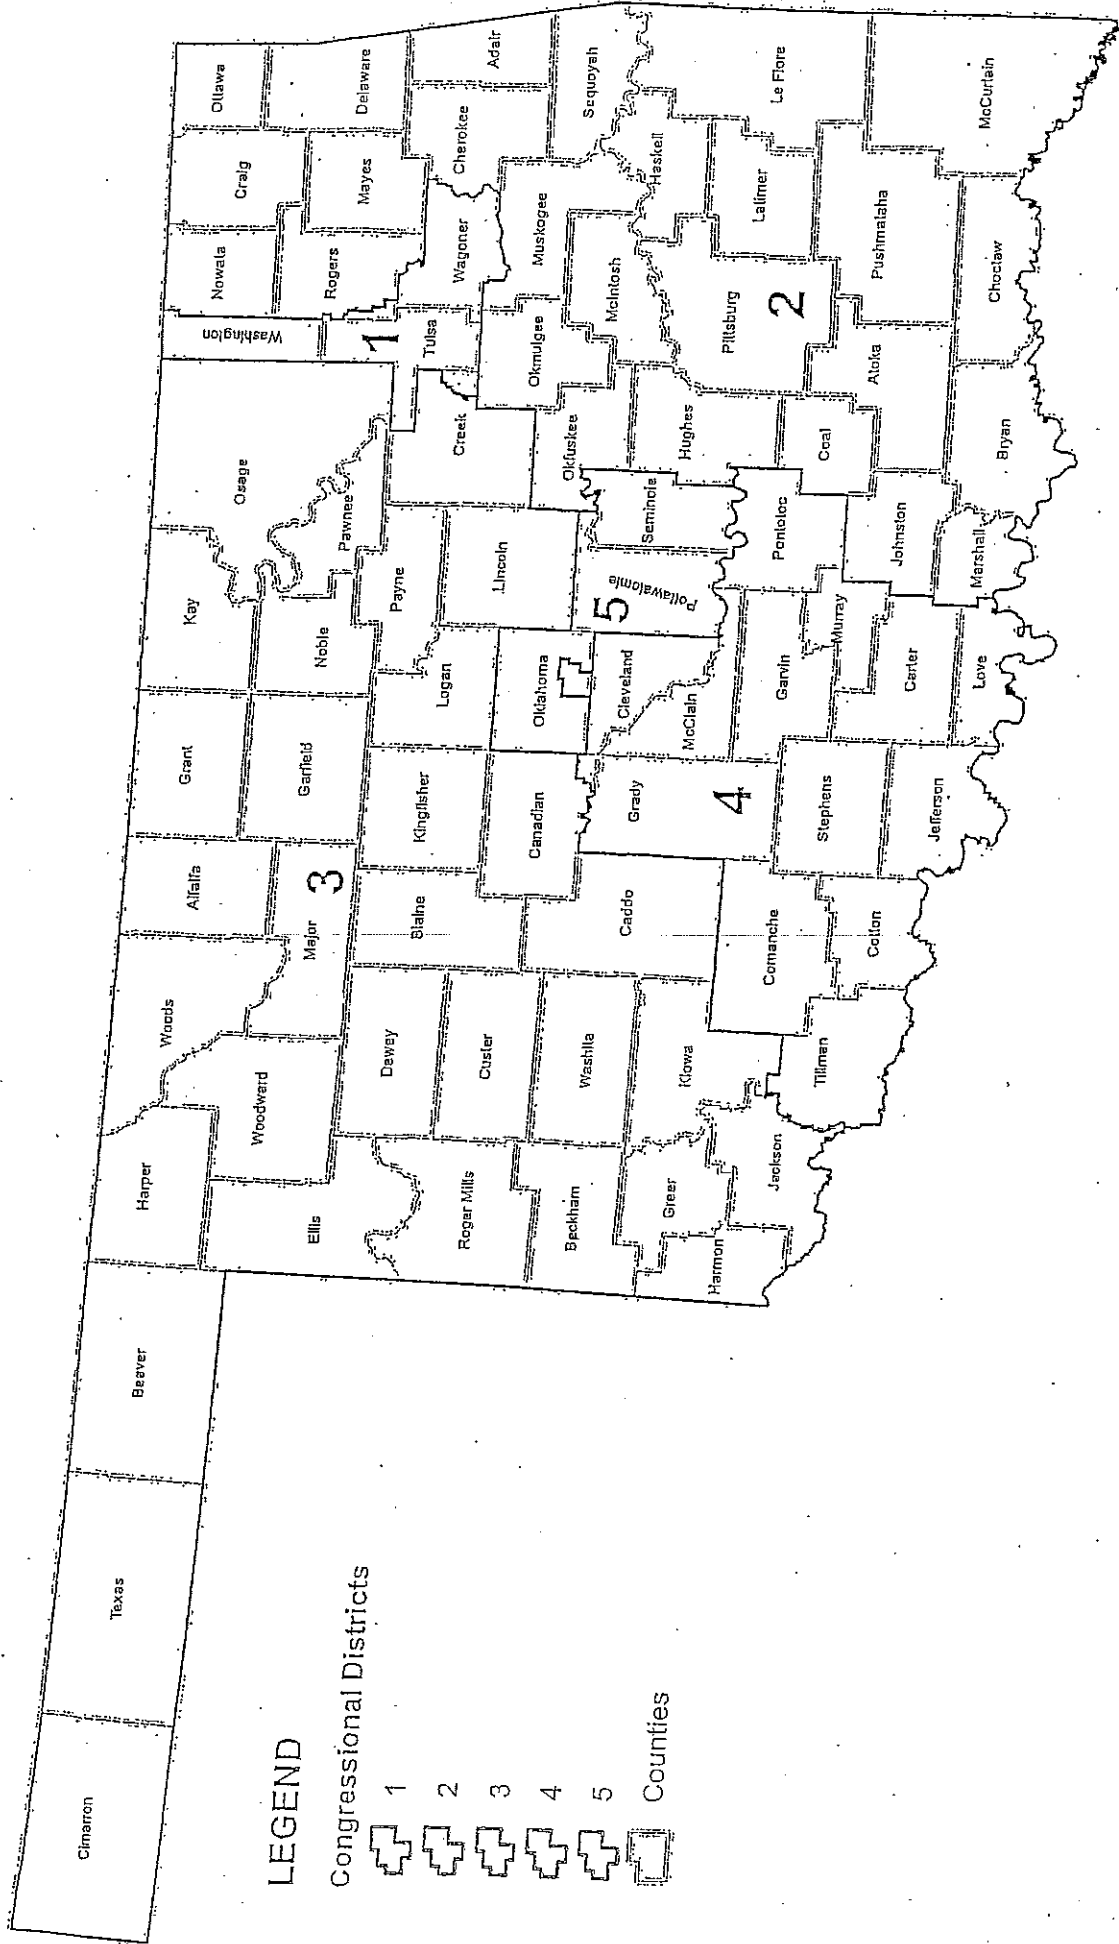

A. A school district may develop an educational improvement plan which includes exemption for the educational-related statutory requirements set forth in subsections C of this section and State Board of Education rules for the school district, a school site or any program, grade level, consortium of schools or school districts or other group within the school district. The board of education of the school district shall, through adoption of a resolution, approve the plan prior to application being made to the State board of Education.

B. Each educational improvement plan approved by the State Board of Education shall include the following components:

1. A description of the educational benefits to be derived;
2. A definition of the standards of the plan;
3. Development of definitive work products, such as site improvement plans and progress reports;
4. Demonstration of collaboration by teachers, administrators, higher education representatives, students, parents/families, and the community;
5. Development and the use of an assessment mechanism to determine progress in meeting the goals and objectives of the plan;
6. Development of an in-service training plan to be provided to personnel at the site who will participate in the project;
7. Report on the results of the plan to the State Board of Education and provision of appropriate technical assistance to other school districts and the State Department of Education as required; and
8. Explanation of how the plan will affect other schools, program or sites in the district.

C. Each educational improvement plan shall include a list of the specific educational-related statutory requirements and State Board of Education rules the school district is requesting an exemption from and why each exemption is necessary to success of the plan. The school district shall not be granted an exemption from federal educational-related requirements. A school district may request an exemption from any statutory requirement or State Board of Education rule not related to bilingual and special education programs, health and safety provisions, school finance, State Aid, pupil formula weights, teacher salary and teacher retirement, the Oklahoma School Testing Program, the Oklahoma Educational Indicators Program and the teacher preparation, examination, licensure, certification, residency and professional development system. The State Board of Education may grant district-wide exemptions from certification requirements for Library Media Specialist to districts experiencing a shortage in this area. The State Board of Education may grant an exemption from certification requirements for superintendents to any district with an unweighted average daily membership over twenty-five thousand (25,000). 1. Statement of the Statute to be Waived: (specify statutory citation)

Oologah-Talala is asking for a statutory waiver for a library Media Specialist for an extended exemption for Mrs. Stacy McSpadden. Mrs. McSpadden was hired as our Library Media/Information Technology teacher after seventeen years of classroom experience with students in elementary and middle schools. On October 25, 2012 the State Board of Education granted an exemption from library media specialist requirements 70 O.S. § 3-26 effective for the 2012-2013 school year to Mrs. McSpadden. We requested a second year exemption and was granted exemption for the 2013-2014 school year on November 20, 2013. We are requesting a third year as she continues to work on her Library Media/Information Technology degree from Northeastern State University in which she plans on completing by December 30, 2014.

*Original signatures are required.
