Questions?

**Houghton
Mifflin
Harcourt**

October 31, 2023

Dear Ms. Kwok:

On behalf of Houghton Mifflin Harcourt Publishing Company ("HMH"), I am writing to request that the Oklahoma Department of Education allow HMH to withdraw its program HMH Read 180 Universal Stage A/System 44 from our 2021 K-5 ELA state adoption contract. Please see the attached spreadsheet for specific program information.

Background Information for Context: HMH is retiring the SAM platform on which Read 180 Stage A/System 44 resides and operates. The Read 180 program has been updated and is transitioning to the HMH Ed platform.

We make our request with the following considerations:

- Oklahoma's policy states that substitutions are not accepted for any supplementary programs. Therefore, HMH does not have a clear path to approval for the updated Read 180 on the Ed platform.
- Oklahoma is no longer adopting supplementary programs as part of its adoption process.
- No districts in the state have purchased the adopted Read 180 Universal Stage A/System 44 program.

If Oklahoma is agreeable to the withdrawal of Read 180 Universal Stage A/System 44, HMH can draft a simple Letter of Amendment to the State Contract #202203 to update Appendix A to reflect the removal.

We are grateful for your attention and guidance on this matter.

Sincerely,

A handwritten signature in blue ink that reads "Lisa A. Jacobson".

Lisa A. Jacobson
Sr. Director, Bids and Contracts
