OAAP Accessibility Tracker

This Accessibility Tracker provides a quick look for teachers and IEP Teams to consider the accessibility features available to students who participate in the alternate assessment. Districts are not required to utilize this tracker. The accessibility supports listed below are part of the Personal Needs and Preferences Profile that is required in Kite Educator Portal. More information can be found in the DLM Accessibility Manual.

Table 12 in the DLM Accessibility Manual: Category 1 - Settings in the PNP Profile that Activate Supports within the Student Portal

Accessibility support	Setting selected for Student Name	Notes and evaluation
Contrast color		
Invert color choice
