**COMMENTS:**

The purpose of the RFP was to contract with qualified suppliers for services to provide PK-12 evidence-based programs for students or professional development for educators designed to address student learning loss caused by disruptions in learning from the COVID-19 pandemic. Additionally, a focus of direct service or professional development must address the needs of students who have likely suffered the most because of longstanding inequities in communities and schools which have likely been exacerbated by the pandemic.

This contract is an award from the Competitive Grant Pool RFP 2650000392.
