TO ALL BIDDERS OF CONCERN

Question 12. Regarding the Alternate 1 option to remove and replace the existing suite entry, the specifications call for a 36-inch frameless patch work style door. Since this is a high traffic area, we suggest using a rail for the glass door due to its weight instead of patch work. May we quote for that?
Answer: Yes. We suggest quotes are submitted for both options.

ALL OTHER DOCUMENTS, SPECIFICATIONS AND DRAWINGS ARE TO REMAIN THE SAME AND INTACT.
