Description of Amendment:

a. This is to incorporate the following:

On behalf of the State of Oklahoma, the Oklahoma State Department of Education gives notice of the following questions concerning this solicitation, received during the Q&A period, which closed on 2/24/24. All questions and procurement/agency responses are detailed below:

Question 1: Would you clarify whether or not the submitted materials must be for both elementary and secondary?
A resource does not have to meet both elementary and secondary materials. It is just required that we share both levels.

Question 2: What is the elementary grade span?
The law does not specify what elementary range - it just says the state department will make available materials for elementary and secondary. Elementary is Pre-k-5.

Question 3: What is the secondary grade span?
6th - 12th

Question 4: What standards do we need to align to?
The content requirements from the law are in the RFI – Oklahoma Academic Standards for Social Studies would be the actual standards.

b. All other terms and conditions remain unchanged.
