Description of Amendment: Questions and Answers

a. This is to incorporate the following:

1. **Should Appendix A be included as the response to Section Six? If not, where?**
Answer: Yes, Appendix A is meant to be a template for providing the Section Six response.

2. **On Page 1 of Attachment A; Solicitation Expectations 1. General Purpose it states: "1.5. Programs that are already on the approved state list do not need to reapply."**
Is it accurate to state that programs already listed on this document will continue to be approved and do not need to be resubmitted for consideration?
Answer: Yes, that is accurate. The list may be found at the link below.

What if we are able to add another delivery method not previously available for a program, for example now offering an asynchronous delivery option? Do we need to submit an RFI Bid to have that delivery method added, or is there another way we can communicate that to have our entry updated?
Answer: If a previously approved program has had an update such as the one described, and email can be sent to Melissa Ahlgrim at melissa.ahlgrim@sde.ok.gov describing the change so the table on the OSDE website can be updated.

b. All other terms and conditions remain unchanged.
