15 Award of Contract

- 15.1 As specified in a Solicitation, the State may award the contract to more than one Bidder by awarding the contract(s) by item or groups of items or may award the contract on an all or none basis, whichever is deemed to be in the best interest of the State.
- 15.2 In order to receive an award or payments from the State, a Bidder must be registered **as both a Bidder and as a Supplier** and must maintain the registration prior to any Contract renewal term. The registration process may be completed electronically at the following link: <https://omes.ok.gov/services/purchasing/vendor-registration>.
- 15.3 Pursuant to Oklahoma Attorney General Opinion No. 06-23, any Bidder that has assisted in preparing the Solicitation or developing the procurement terms, either directly or indirectly, is precluded from being awarded the Contract or from securing a sub-contractor that has provided such services.
- 15.4 Prior to award, the State may choose to request information from the Bidder to demonstrate its financial status and performance. If the Bidder is a subsidiary of another entity, the last three years audited financial statements of three years tax returns for the parent company may also be required. The State reserves the right, in its sole discretion, to determine a Bidder's financial status and to withhold award to a Bidder who is not deemed financially responsible.
- 15.5 A notice of award may be in the form of a purchase order or other payment mechanism or in the form of a mutually executed contract resulting from the Solicitation.
