---

Student has reached maximum age for services

↓

With or without a diploma

↓

01926

↓

Accountability:
No further effect on graduation or dropout rates since the student did or did not graduate with their cohort

Entry Codes

2024-2025 and Beyond

Student was exited using code **01928** and returns for the next school year without interruption in enrollment

↓

01835 & Grade 13

↓

Accountability:
If the student returns in 2024-2025 and beyond without interruption, the student's federal cohort will be adjusted to the year in which they graduate with an alternate diploma. By submitting a correction during the fall DVR window, any "not graduated" status may be corrected.

Student was exited using code **73062** or **01921 HSA** and returns for the next school year without interruption in enrollment

↓

01835 & Grade 13

Reentry after voluntary withdrawal with a 'gap' in enrollment (Exited using **01928**, **73062**, or **01921 HSA**)

↓

Gap is defined as entry 20 or more days after the beginning of the term or reentry after 10 or more days of non-enrollment during the school year.

↓

01836 & Grade 13
