This is a requisition for a production coordinator to provide audio and visual equipment and services for a large-scale professional development summit to be held on February 17, 2020 at Cox Arena in Oklahoma City called Bridges to Hope. This event has an expected attendance of 10,000 educators and community partners to learn valuable information on educating students that have experienced trauma. Without these audio visual services, the keynote speaker cannot adequately get this important information across to an audience of 10,000 people.
