

# Crisis Go Bag: For the Classroom

A “Go Bag” is a bag containing items you might need in an emergency. The contents of a Go Bag can vary depending on a school’s needs and unique characteristics. However, here are some common items that can be found in Go Bags.

**TIP:** If your school cannot afford to outfit a Go Bag for every teacher/classroom, consider making a sharable wish list, working with your PTA, a non-profit group, hospital, professional group, church, etc. to do a drive to create the bags.
